The U.S. Department of Education, Office for Civil Rights (OCR) and the Brownsville Independent School District (BISD or District) enter into this resolution agreement (Agreement) to resolve the allegations in the above-referenced complaint. This Agreement does not constitute an admission of liability, non-compliance, or wrongdoing by the BISD. The BISD assures OCR that it will take the following actions to comply with the requirements of Section 504 of the Rehabilitation Act of 1973 (Section 504), as amended, 29 U.S.C. ## **TITLE IX CORRECTIVE ACTION PLAN(S)**

### **Action Item 2: Athletics Corrective Action Plan(s)**

By **August 1, 2022**, the BISD will develop written corrective action plan(s) if the BISD determines that either boys or girls are denied an equivalent opportunity to participate in the BISD's interscholastic athletics program with respect the program component identified and assessed pursuant to Action Item 1 of this Agreement. The corrective action plan(s) will address the disparities found, and will identify specific steps the BISD will take to ensure that boy and girl athletes are afforded an equal opportunity to participate in its interscholastic athletics program, including timeframes for completion of each step. As part of this process, the BISD will consult with appropriate professionals<sup>1</sup> knowledgeable about Title IX, to assist it in compliance as necessary.

#### **Reporting Requirement**

- i. By **August 1, 2022**, the BISD will provide to OCR, for review and approval, its corrective action plan(s), including timeframes for completion. The corrective action plan(s) will include a description of the steps that will be taken by the BISD to ensure that equivalent athletic opportunities are being provided to boy and girl athletes with regard to locker rooms, practice and competitive facilities, housing and dining facilities and services, and publicity.
- ii. **Within 60 calendar days of receiving OCR's approval of the proposed written corrective action plan(s)**, the BISD will submit to OCR documentation establishing that the approved corrective action plan(s) are being implemented according to the approved timetable for completion. Reports will be due every **180 calendar days** thereafter until the corrective actions have been completed.

equivalent athletic opportunities with regard the to the elements identified pursuant to Action Items 1, 2, and 3 of this Agreement.

## **ACCESSIBILITY ASSESMENT(S)**

### **Standards**

Accessibility will be measured during the assessment identified within **Action Item 3** as conformance and compliance with the requirements of Section 504 and Title II. With a construction date of 1999 and no subsequent alterations, the assessment(s) shall determine compliance with UFAS and/or the 1991 Americans with Disabilities Act Accessibility Guidelines (1991 Standards)<sup>2</sup>. For components where construction or alterations commenced on or after March 15, 2012, the assessment shall determine compliance with the 2010 ADA Standards for Accessible Design (2010 Standards).

Title II regulations<sup>3</sup> indicate that elements that have not been altered in existing facilities on or after March 15, 2012, and that comply with the corresponding technical and scoping specifications for those elements in either the 1991 Standards or UFAS, are not required to be modified in order to comply with the requirements set forth in the 2010 Standards; this is called a safe harbor. However, the safe harbor provision does not apply to those elements in existing facilities that were not subject to supplemental requirements.<sup>4</sup> However, although preferable for a public entity to meet the 2010 Standards, if it is not possible to achieve compliance with the 2010 Standards in an existing setting, the requirements for program accessibility provide enough flexibility to permit the covered entity to pursue alternative approaches to provide accessibility.

## **ACCESSIBILITY ASSESSMENT**

### **Action Item 3**

By **May 1, 2022**, the BISD will conduct or complete an assessment of the accessibility of the audience-member seating at the girls' softball field at Hannah ECHS, as indicated within the aforementioned Accessibility Standards paragraph.

### **Reporting Requirement**

---

<sup>2</sup> Under the Title II regulation, districts had a choice of adopting either UFAS or the 1991 Americans with Disabilities Act Accessibility Guidelines (ADAAG) for facilities constructed or altered after January 26, 1992 and prior to September 15, 2010.

<sup>3</sup> See 28 C.F.R. § 35.150(b)(2)(i).

<sup>4</sup> See 28 C.F.R. §35.150(b)(2)(ii).

By **May 1, 2022**, the BISD will provide OCR with a copy of the results and determinations of the assessment, subject to OCR’s approval, identified within Action Item 3. The results and/or supplemental information provided to OCR, shall include the assessment and identification of the requirements identified within the Accessibility Standards paragraph above.

### **ACCESSIBILITY CORRECTIVE ACTION PLAN(S)**

#### **Action Item 4**

By **August 1, 2022**, the BISD will develop written corrective action plan(s) identifying the modifications, if any, that are necessary to ensure accessibility compliance, pursuant to Section 504 and Title II, the elements, as identified within Action Item 3. As part of this process, the BISD will consult with appropriate professionals<sup>5</sup> knowledgeable about the Accessibility Standards, to assist it in compliance as necessary. The plan(s) will include a timetable for completion of all identified modifications.

#### **Reporting Requirement**

- i. By **August 1, 2022**, the BISD will submit to OCR the written corrective action plan(s) identified within Action Item 4.

#### **Action Item 5**
